

Warwick District Council will judge proposed sites against the nationally accepted criteria. The purpose of the criteria is to seek to meet the requirements of the Gypsy and Travellers community not necessarily local residents, businesses and employment.

Areas of concern could include:

- Agriculture • Animal Welfare • Co-existence • Crime • Ecology and Habitat • Education/Schools • Healthcare/ Surgeries • Highways and Safety • Local Economy • Rural Landscape • Services and Utilities • Tourism • Traffic Density/ Flow • Urbanisation.

to the proposals on the following grounds -

My primary objection relates to the local economy. The Warwickshire Exhibition Centre would be the subject of a local compulsory purchase of land order, and would be obliged to close down. This business provides employment and support for other local businesses (including B&B and hotels), and would be much missed.

The Fosse Way is a major tourist route, and at present the environment is visually attractive rural land, where there may be wild life habitat issues.

I accept the needs of the Gypsies and Travellers, but I feel that several of the other proposed sites offer better opportunities, almost certainly at lower overall cost to the Warwick District Council.

Please continue on a separate sheet if necessary

Do you have any other suggestions for land within Warwick District that you think would be suitable for use as a Gypsy and Traveller site, bearing in mind the criteria for site identification? If so, please give the location and the landowners details below:
