Chapter

PROPOSAL TO BUILD NEXT TO ST NICHOLAS CHURCH ON SITE 1
(Land to the east of Church Lane - 3.55 ha developable area and site capacity for 100 dwellings.)

Table or Figure

Village Plan

What is the nature of your representation?

Support

Object

Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

1. Road widening of Church Lane with removal of matured trees, without apparently being a problem to Warwick D.C., whereas a 65 year old Walnut tree in the front garden of this address has a preservation order on it. Talk about double standards.
2. Ruination of the open view across to open countryside and to be ruining the area close to the church, which according to established guide lines should be safeguarded.
3. The traffic problem will be made even worse, whenever the access points are
4. The area is a natural rain water holding area, which will be destroyed.
5. The area should be a public open space, suitably landscaped.
6. If the village has to have development put it further up the Southam road, although undesirable will cause less harm.
7. Anyway why do we need extra houses, I do not know of any homeless families in the area. I strongly suspect it is the result of the increase in the U.K. population brought about by uncontrolled immigration, which we do not need or want.
8. Also how is it that development plans come to light, after the land has been sold to Gladmans for building, Gladmans would not have bought this land unless they were sure that they were assured of planning permission anyway. This whole exercise of so called public involvement in Smoke + Mirrors and is just a cosmetic exercise, which will not affect in any way the final outcome. Building will happen

PLEASE POST YOUR FORM TO: Development Policy Manager, Development Services,
Warwick District Council, Riverside House, Milverton Hill, Leamington Spa, CV32 5QH
