Support for expansion (in terms of population / age profile)
for Burton Green to refresh village and make it sustainable.

Support for preferred site but
Object to concentration of ^{all} new housing on one site only
Would support houses built on other (discounted) sites
as well as more in keeping with village character as is.

However providing a village green, VH hub would give the village
a centre which avert ribbon development locks.
Would wish to stress:

Burton Green currently has minimal facilities
e.g.) transport - few residents use Coventry transport
links. Natural affinity to Kenilworth with only 2 buses /
week. These would need substantial improvement.

2) School would wish to keep traditional Victorian village
school. Sensitive expansion / co-use playing field space
supported. Modern school within one new housing
development would be objected to.

3) Village Hall Current VH at capacity for events for local
residents. H32 will only replace 'like for like'. Larger village
hall needed if village expands. Who will pay for this?

4) Water pressure currently inadequate } all infrastructure
5) Broadband speed very low } will require
6) Roads / parking issues would need to be } improvement.
addressed.
7) Medical service }
8) Shop } would need provision.
