Re Proposed compulsory purchase of former quarry currently owned by Cubbington Freeholders.

Dear sir,

I am writing to protest at the proposal to compulsorily purchase the quarry off Leicester Lane as a potential site for Gypsies and Travellers. Although I realise that it is important to provide sites where these people can settle somewhere in the county, I must say that it seems unfair that this site, which currently provides the sole income for the Cubbington Freeholders, should be chosen.

As you will be aware this charitable organisation provides funds to community based organisations within the Parish of Cubbington and has done so for over 200 years. It seems unfair that this should be lost particularly at a time when the District Council is also proposing to change the Parish Boundary depriving the village of income from New Cubbington's Council Tax.

I would be grateful if you could convey my concerns to the Council committee making decisions on this proposal and ask them to take this site off their list.
