If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

I object to the proposed housing allocation in the area known as the "Strawberry Fields" immediately south of the toll house on Babington Road. The additional traffic which the development would generate would inevitably make Warwick town's congestive problems worse, and air pollution is already above legal limits. The proposal is clearly unsustainable and is in defiance of a WDC policy in 2008 (endorsed by WDC) to reduce traffic & pollution in Warwick.

(Area H46A on the map)

This allocation also conflicts with the intention of the Air Quality Action Plan.

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Delete this housing allocation.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the inspector, based on the matters and issues he/she identifies for examination.
