District Council:

- Convenient access to a GP surgery, school and public transport;
- Avoiding areas with a high risk of flooding;
- Safe access to the road network and provision for parking, turning and servicing on site;
- Provision of utilities (running water, toilet facilities waste disposal etc);
- Avoiding areas where there could be an adverse impact on important features of the natural and historic environment; and,
- Sites which can be integrated into the landscape without harming the character of the area.
- Promotes peaceful and integrated co-existence between the site and the local community;
- Avoids placing undue pressure on local infrastructure and services;
- Reflects the extent to which traditional lifestyles (whereby some travellers live and work from the same location thereby omitting many travel to work journeys) can contribute to sustainability.

IT IS IMPORTANT to comment/object adhering to the above criteria and the council provided form follows that process. It is implied that you should use the WDC form or the response form available online. YOU ARE HOWEVER STILL PERMITTED to respond by writing to the Council's Development Policy Manager or you could choose to use this site specific form prepared for GT 02

Please set out full details of your objection or representation of support with reference to the criteria as outlined by the council.

in terms of the local area and current economy for approx 40 jobs to be at risk or could potentially be very detrimental for this area.

Having a small child, I am of concern that I will be able to enrol him at the local school, if the local school is already nearly full to capacity. We use the fosse often, and I would not like the local views to be tarnished in any way.

to the proposals on the following grounds -

Having recently been in Yorkshire I saw several sites on sides of roads and they looked very unsightly and very unsafe. Young children could be left at risk on the sides of very busy roads. There was definitely an increase in traffic too.

In terms of healthcare, locating it is already difficult to obtain appointments when needed at local doctors, and with a small child this remains a concern.
