Object

Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

I don't think that Woodcote Drive could take the volume of traffic from the extra housing that is proposed, I can see if it is too high then there could be a possibility that an entrance may be put in from Woodcote Lane which is a very narrow to street with. My other concern is that the extra vehicles coming from the construction site would have a big impact on the junction with Warwick Road.
