I don't object to some further housing in leek wootton but 80 more on top of 381 is an increase of over 20% which is too much.

The local plan was until 2029 so we don't want all the housing to come forward in the next few years. spread it over time my main concern is the poor quality of development that volume housebuilders deliver. The plan needs a big say over what is built and the layout some bungalows would be useful for people who have mobility problems and wish to stay in the village.

The village school is full. 80 more houses will generate around 35-40 more children, who will probably have to go to kemilwath as second siblings fill the village school.
