~~BORROW HILL NEAR SEAY~~
I support the preferred option because it has little impact on productive farmland and established greenbelt.

It is also convenient for the local school and may provide a suitable area for a replacement village hall should H52 occur.

If possible I would like to see some affordable housing included in the option 1

I agree with the village boundary.
While I support option 1 other areas
such as 6 would have to be included
on boundary should development take
place in the future
