Object

Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

Hutton Station - Site 1 of Preferred Options - 20 dwellings is far too high a number for this site, and would be completely unsustainable.

Site 2 - Proximity to the motorway, very limited access and the constant problem of flooding makes this site unsuitable for any development.

Site 3 - This site lies out with the village boundary, and any development would radically alter the current village, quite apart from the already noted access concerns.
