Although I do not believe that Radford Semele Village has enough adequate amenities to support a large influx of new households (i.e. no chemist or doctor's surgery) I reluctantly concede that only site 1 has any plus side because it already has an absolutely necessary controlled school crossing and easy walking access to the bus stops. Sites 2 & 3 have no safe crossing area and totally inadequate footpaths leading from the village towards them. As a regular user of this particular stretch of the highway I speak from experience regarding the fast flowing traffic even at off peak times, the speed limit supposedly in force is not adhered to. It would be chaotic to introduce any further traffic on to this overburdened road through the village.
