My objections to the proposal at Hatton Park is;

- * The existing Hatton Park development was increased in size from the original proposals
- * Traffic on the Birmingham Rd. (Living opposite the proposed entrance to the new development, this option will make it impossible for me to access the main road in peak times. It is already at breaking point.
- * Poor infrastructure services. (History of neglect from the Highways department carrying out maintenance, examples can be supplied.)
- * Destruction of the Green belt, eroding the land between Hatton & Warwick.
- * After living at this address for 13 years any increase in developments will have a direct impact on safety of drivers/pedestrians along the Birmingham Rd. (Currently it is dangerous to try & cross the Road.
