Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

I recommend site N° 2 (only)

- ① The best site to retain the character of the village.
- ② The safest site

- Location S of main road give good pedestrian access to most of the village.
- Church accessible via existing ped. crossing
- Promotes walking via right of way to school & shops
- The greenest option.

- ③ All housing on one site therefore min description for building and most efficient in terms of infrastructure. Better houses could be built for the same cost.

- ④ Minimise traffic. Access by Southern Rd can be made safe. Could have 2 entry points.

No need for traffic lights or roundabout.

- ⑤ Very few houses are adjacent. Therefore minimises impact on existing residents

- ⑥ Site 1 is NOT appropriate for mixed housing.
