7. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Plan or its compliance with the duty to cooperate, please also use this box to set out your comments.

Longbridge has Rural Area status and as such nothing should be done which will compromise its character. There is already a large scale commercial development (Tarnament fields) standing half empty across the main road from the site, so it is hard to believe that yet more commercial/industrial space is needed in the vicinity. Should this development go ahead a major thoroughfare into Warwick would be dominated with industrial parks on both sides of the road. The site is unique in that it is an open area of green space on the edge of the town giving views along to the castle and historic battlegrounds -

Continue on a separate sheet if necessary We should do everything in our power to retain it.

8. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at 7. above where this relates to soundness. (Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

There needs to be balance and an appreciation of the pleasant open green space that will be taken away should this proposal go ahead.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

**10. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:**

Continue on a separate sheet if necessary
