#### RE SITE H 50 OVER BUILD, AND DRAINAGE IN LADYCROFT CUBBINGTON

Warwickshire Direct
19 APR 2016
Leamington

Dear Sir or Madam,

We have copies of the **Local Plan** but find it too complicated to fill in ,so please will you accept this letter.

My wife and I live at 34 Ladycroft and our home was flooded in JUNE 2007. We were away on holiday at the time and dealt with the aftermath on our return. There is a video recording showing the depth and force of the water.

Road surface drainage runs through 6 inch diameter glazed pipe under our front gardens. Building and drainage in approx 1960 was good enough for Ladycroft then, and was presumably overseen by WRDC.

(The drainage pipes beneath our garden were never cemented and an open-ended jointing pipe was capped only by a piece of vertical slate---this was poor oversight)

Hillcrest houses ,and others, have been added and the pipes are filled with water from uphill. One of the road drains seems to overrun at times.

Drainage and sewage use both pipes when there is excess rain due to the cross-over design.

In July 2007 the WDC official checked all the house guttering etc locally and told me that there are 43 miss-connections. (No action taken.)

Faeces appeared on the road outside no. 27 and a photograph was taken by the WDC environmental department and , no doubt, that is still on record. (A manhole cover had been forced off due to the rain in July)

WDC/WCC fitted some large surface drainage pipes in Ladycroft between Brookfield Road and Offchurch Road, and sometimes sewage smells and occasionally liquid oozes onto the road. The pipe has been jetted several times.

We need a 3 foot diameter pipe all the way along Ladycroft to clear surface water from Hillcrest and other infill building, before any further building and desecration of farmland takes place in Old Cubbington.

Pingle Brook alleviation scheme seems not to have made much noticeable difference to our road but the situation will only get worse again when Site H50 is concreted.

Thank you, Yours sincerely

Mr Brian and Mrs Margaret Parkins
