7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

- The land allocated is green belt land and govt. policy is that such boundaries should only be altered in exceptional circumstances. The local plan fails to make the case that the proposals for Cubington are exceptional.
- the local plan makes insufficient provision for improving Cubington's infrastructure to support the increased population - in particular schooling and medical facilities.

(7 continued)

- The proposed H50 development will have a detrimental impact on the landscape to the east of Cublington. The Local Plan acknowledges that there are landscape issues.
- The local plan acknowledges that the flooding risk of surface water drainage from the H50 fields will require a sustainable urban drainage system. I consider that, even with such a system employed, the risk of flooding of susceptible parts of the village is unacceptably high.
