Infrastructure and amenities should come first otherwise the traffic of vehicles coming to the centre of towns, already bad, will get worse. Think in terms of green corridors. In PO4 you don't mention the site of the old food factory which should accommodate many houses, flats, and amenities.

PO 7 - We definitely need a site, travellers are entitled to it, it would avoid aggressivity and problems on both sides -

PO9 Retaining must be available in all new developments to create a sense of community and prevent the overuse of cars -

PO 10 - We are already short of space so garden towers are out. Which does not prevent planting trees everywhere you build.
