**Summary**

We support the recognition that the Green Belt Boundaries must be altered to accommodate additional development, but object to the exclusion of land to the south of Coventry from the list. Reference to such land should be added to the list in Part A of the Policy.

**Discussion**

We have made representations elsewhere which support the thrust of the strategy which includes making alterations to the Green Belt boundaries to accommodate additional development. We have also made representations which object to the exclusion of land at Oak Lea, Howes Lane, Coventry, seeking its allocation for development. If the Green Belt boundary is not altered, the site cannot be developed. In the light of these comments the policy should be amended to facilitate the development of land at Oak Lea, Coventry.
