Dear Lorna

Application for the designation of a Neighbourhood Plan

In accordance with the Statutory Instrument, Town and Country Planning England The Neighbourhood (Planning General) Regulations 2012, the Parish Council makes formal application to Warwick District Council for the designation of the land which will constitute the area in the Neighbourhood Development Plan being prepared by the Parish Council under the statutory regime for neighbourhood planning made under the Localities Act 2011.

In accordance with the Part 2 of the Neighbourhood Planning (General) Regulations 2010, paragraph 5(1), this application requests that the area for the Designated Neighbourhood Development Plan be changed from the former parish boundary to match that of the current boundary of the Burton Green Ward of the parish of Burton Green. I attach a map of the current parish boundary which shows the area to be designated as the Neighbourhood Development Plan boundary.

That Burton Green is the relevant body for the purpose of the Town and Country Planning Act 1999, section 61g(2) as specified by paragraph 2(a) of Schedule 9 of the Localism Act 2011 for the preparation of a Neighbourhood Plan.

The Parish Council recognise that local and national policies favour growth and development in Warwick District Council.

Burton Green Parish Council requests that you commence processing this application as set out in paragraph 6 of Part 2 of the said Regulations.

Please could you kindly acknowledge this letter or let me know if it needs to be amended to meet the needs of the application process.

Yours sincerely
