to the proposals on the following grounds -

Warwick show Exhibition Centre provides a livelihood + support for other businesses. It is a desirable + useful facility for local people + brings exhibitions from far + wide, - consequently people staying nearby (B+B hotels etc) + enhanced the local economy.

It is part of the open green space that leads to Leamington - is attractively farmed - + provides a pleasant introduction to the outskirts of the Town. Have wild life issues been addressed?

Yes I do see the need for a place for Gypsies + Travellers but I do not see this site as ideal, there are others more suited.

Please continue on a separate sheet if necessary

Do you have any other suggestions for land within Warwick District that you think would be suitable for use as a Gypsy and Traveller site, bearing in mind the criteria for site identification? If so, please give the location and the landowners details below:
