

Ref G101 - G107

Dear Sir

We are totally against the proposed gypsy site in Boginton.

There is already one in Siske Drive, for a village the size of Boginton 3m more is enough.

With the Gateway & Housing proposals we shall no longer be a rural village community which is what we DO NOT WANT, please leave Boginton alone, already the traffic through the village is at a premium and all thought of builds a green belt land is

quite unacceptable

We trust that all proposals do not
go ahead

Yours sincerely
