Object

Please set out full details of your objection or representation of support. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

5.4.22.

Loss of Greenbelt! This will lead to further losses in the future of our greenbelt. Kenilworth is already threatened with loss of greenbelt due to HS2

700 houses is too many when there are already plenty of houses for sale

It would help if number of houses were reduced and the sports clubs were allowed to expand in this area. New homes should be spread around the outskirts of Kenilworth and not concentrated in one large lump

5.4.8. The area around Thickthorn, Lamington Rd and Warwick Rd are already reduced to a standstill at times and the development of 700 houses, plus employment land will lead to further chaos. It would be best to spread these 700 houses to smaller sites around the town. There are some magnificent trees along the A452 Lamington Rd which would be damaged by any widening of the Road.
