as I have commented previously the infrastructure can't cope with such widescale development.

at T5 I don't want to be surrounded by such large scale building which is going to take years to complete.

Why does Whitresh bear the brunt when there are plenty of other options such as I said before what is needed is a plan such as Milton Keynes containing all requirements of shops, schools, housing etc.

With the extra school run cars how am I supposed to access and visit my bungalow. as with the road structures it is obvious to me there will be access to Woodside Farm from South Farm behind Harder House. It is peculiar here at the moment for the residents but with noisy screaming out of control children will be a nightmare for them. I think this is academic as plans will have been decided already. Not a happy busing

I haven't the time or the energy to  
comment on individual documents this is  
just (it seems to me) a ploy so people  
don't have time to spend objecting to  
development. Why not stop people coming  
into the country when they are such a  
burden on our resources before the  
country goes bankrupt.
