Object

Please set out full details of your objection or representation of support. If objecting, please set out what changes could be made to resolve your objection (use a separate sheet if necessary).

my objects are as follows:

The Infrastructure Requirements and the vast size and scale of development which will have a mass impact on the local area and in particular the roads which are already very congested.

I feel the site is too large and this will impact on the existing roads, houses & community

I also object to the relocation of not just one club but two
