☒ Object

Please set out full details of your objection or representation of support. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

I TOTAL OBJECT TO THE DEVELOPMENT OF THE ABOVE PROPOSED SITE BECAUSE OF THE FOLLOWING

THERE ARE WAY TO MANY HOUSES

THE INFRASTRUCTURE WOULD NEVER COPE

THE AMOUNT OF EXTRA CARS ON THE ROAD WOULD INCREASE AIR POLLUTION TO AN INTOLERABLE LEVEL TO CURRENT AIR POLLUTION IN CERTAIN PARTS OF THIS AREA ALREADY EXCEEDS LEGAL LIMITS

I HAVE HEARD THAT STRATFORD DC ARE PROPOSING 4000 HOUSES AT HIGHTHORNE HEATH THIS IS MAY HAVE IN EXCESS OF 7500 HOUSES BUILT WITHIN 10 MILES OF EACH OTHER.

THERE WILL BE NOT ENOUGH JOBS FOR ALL THE PROPOSED RESIDENTS THAT MEANS MORE UNEMPLOYMENT IN THE AREA. THE BEAUTY OF OUR GREENFIELD SITES WILL BE PERMANENTLY ELIMINATED. ALL OUR ROADS IN THE AREA WILL BECOME GRID LOCKED ON A DAILY BASIS.

THE BEAUTY OF OUR HISTORIC WARWICK AND THE HERITAGE OF THE SURROUNDING AREA WILL BE PERMANENTLY DAMAGED

For Official Use Only

Part B - Commenting on the Proposed Development Strategy

If you are commenting on multiple sections of the Strategy, you will need to complete a separate sheet for each representation.

Sheet 1 of 2

Which part of the document are you commenting on?

Proposed new or amended planning policy or strategy

Which part of the document are you commenting on?

What is the nature of your representation?

Please set out the details of your objection to the proposed development and the reasons why you consider it to be inappropriate or contrary to the interests of the community.

I object to the development in the
above enclosed area because of the following

These are the reasons why I object

The development is contrary to the

the amount of employment in the area would

increase the amount of employment in the area

to create a new employment area in the area

and a new employment area in the area

I have heard that the development is

not in the area and that it is not in the area

in the area of the development and that it is not in the area

in the area of the development and that it is not in the area

in the area of the development and that it is not in the area

in the area of the development and that it is not in the area

in the area of the development and that it is not in the area

Proposed Development Strategy
Proposed Development Strategy

What is the nature of your representation?
Support / Oppose
Please set out full details of your objection or support in the box below. If commenting on specific sections of the Development Strategy, please refer to the relevant sections in the Development Strategy.

1. To the extent that the Development Strategy is intended to be a statement of the Council's policy on the development of the area, it is not a statement of fact and should not be used as a basis for decision-making.

There are a number of issues which are raised by the Development Strategy which are of concern to the Council. The first of these is the issue of the location of the development. The second is the issue of the scale of the development. The third is the issue of the impact of the development on the environment. The fourth is the issue of the impact of the development on the community. The fifth is the issue of the impact of the development on the economy.

I have been asked to comment on the Development Strategy and I am pleased to do so. I am a member of the community and I am concerned about the impact of the development on the environment and the community. I am also concerned about the impact of the development on the economy.

The Development Strategy is a statement of the Council's policy on the development of the area. It is not a statement of fact and should not be used as a basis for decision-making. The Development Strategy is a statement of the Council's policy on the development of the area. It is not a statement of fact and should not be used as a basis for decision-making.
