Please set out full details of your objection or representation of support. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

I support the fact that the site will make the most of the existing green infrastructure assets on the site. These should include Thickthorn Ancient woodland, Glasshouse Wood & Glasshouse Spinney.

I would also support a 50m buffer to the Ancient Woodland at Thickthorn & Glasshouse Wood.

There also needs to be a buffer along the rest of the residential area along the southern edge of the site adjacent to the A46. Noise levels from the A46 will be intrusive to the new residential development.
