I strenuously object to the current Local Plan proposed to build 3195 new dwellings in the Area to the north of my village of Bishop's Tachbrook. The Plan concentrates an unnecessarily large number of houses in this area which will completely change the character of the area, and have a negative impact on the infrastructure and local facilities.

I do not believe that the council need to build so many houses and although assurances have been made regarding the type of housing to be planned, I am concerned that there is a preponderance of 'social' housing and housing for low wage families. This will become a 'social' estate, reducing current house values. I am amazed that the council are so concerned about building so many new houses with only vague expectations and requirements from Central Government.
