Criteria by which Gypsy and Traveller's sites will be judged for suitability and sustainability by Warwick District Council:

- Convenient access to a GP surgery, school and public transport;
- Avoiding areas with a high risk of flooding;
- Safe access to the road network and provision for parking, turning and servicing on site;
- Provision of utilities (running water, toilet facilities waste disposal etc);
- Avoiding areas where there could be an adverse impact on important features of the natural and historic environment; and,
- Sites which can be integrated into the landscape without harming the character of the area.
- Promotes peaceful and integrated co-existence between the site and the local community;
- Avoids placing undue pressure on local infrastructure and services;
- Reflects the extent to which traditional lifestyles (whereby some travellers live and work from the same location thereby omitting many travel to work journeys) can contribute to sustainability.

IT IS IMPORTANT to comment/object adhering to the above criteria and the council provided form follows that process. It is implied that you should use the WDC form or the response form available online. YOU ARE HOWEVER STILL PERMITTED to respond by writing to the Council's Development Policy Manager or you could choose to use this site specific form prepared for GT 02

Please set out full details of your objection or representation of support with reference to the criteria as outlined by the council.

- I regularly visit Radford Semele and I object to the proposed gypsy site (GT02) for the following reasons:
- It is my understanding that the nearest doctor's surgery has no capacity to take new patients. After this, the nearest surgery is several miles distant.
 - The proposed site is on a busy route (high rut) which already suffered more than 12 serious accidents in the last 3 years. The public transport stopping point is not adequate for increased numbers.
 - The proposed site is on the archaeological register and is an historic T11 site.
 - It is also adjacent to a protected ancient woodland and would undoubtedly cause damage to the wildlife habitat.
 - There is a serious risk that the Warwickshire Exhibition Centre may close should the site go ahead. This would have a big impact on the local economy + jobs.

Please continue on a separate sheet if necessary

Warwick District Council will judge proposed sites against the nationally accepted criteria. The purpose of the criteria is to seek to meet the requirements of the Gypsy and Travellers community not necessarily local residents, businesses and employment.

Areas of concern could include:

• Agriculture • Animal Welfare • Co-existence • Crime • Ecology and Habitat • Education/Schools • Healthcare/ Surgeries • Highways and Safety • Local Economy • Rural Landscape • Services and Utilities • Tourism • Traffic Density/ Flow • Urbanisation.

to the proposals on the following grounds -

As a regular visitor to the Warwickshire Exhibition Centre I would be very sad to see this excellent amenity close because of the opening of this site (GTO2)

The road next to the proposed site is already very busy and should it go ahead the risk to road users will increase dramatically

I also object to the site being built there as it is an historic archaeological & toll site from medieval time.

Clearly the building of the site would have a negative impact on the wildlife in the adjacent protected woodland and would detract from the views across the valley gateway to Leamington & Warwick.

Please continue on a separate sheet if necessary

Do you have any other suggestions for land within Warwick District that you think would be suitable for use as a Gypsy and Traveller site, bearing in mind the criteria for site identification? If so, please give the location and the landowners details below:

Guidance on Making Representations

- You may withdraw your objection at any time by writing to Warwick District Council, address below. It is important that you include your name and address as anonymous forms cannot be accepted. If your address details change, please inform WDC in writing.
- All forms should be received by **5.15 p.m. on Monday, 29 July 2013**
- Copies of all the objections and supporting representations will be made available for others to see at the council's offices at Riverside House and online via the council's e-consultation system. Please note that all comments are in the public domain and the Council cannot accept confidential objections. The information will be held on a database and used to assist with the preparation of the new plan for Gypsy and Traveller sites and with consideration of planning applications in accordance with the Data Protection Act 1998.
