Criteria by which Gypsy and Traveller's sites will be judged for suitability and sustainability by Warwick District Council:

- Convenient access to a GP surgery, school and public transport;
- Avoiding areas with a high risk of flooding;
- Safe access to the road network and provision for parking, turning and servicing on site;
- Provision of utilities (running water, toilet facilities waste disposal etc);
- Avoiding areas where there could be an adverse impact on important features of the natural and historic environment; and,
- Sites which can be integrated into the landscape without harming the character of the area.
- Promotes peaceful and integrated co-existence between the site and the local community;
- Avoids placing undue pressure on local infrastructure and services;
- Reflects the extent to which traditional lifestyles (whereby some travellers live and work from the same location thereby omitting many travel to work journeys) can contribute to sustainability.

IT IS IMPORTANT to comment/object adhering to the above criteria and the council provided form follows that process. It is implied that you should use the WDC form or the response form available online. YOU ARE HOWEVER STILL PERMITTED to respond by writing to the Council's Development Policy Manager or you could choose to use this site specific form prepared for GT 02

Please set out full details of your objection or representation of support with reference to the criteria as outlined by the council.

The nearest GP Surgery is almost 5 miles with no extra capacity for patients and no direct public transport.

Access to road network would be onto a high risk route there have been 12 accidents in 3 years.

There would appear to be no utilities on or near GT02 Site.

Fosseway is of historical importance being a Roman road. The site is on the Archaeological Register with ancient pottery found. The land is historic toll site from medieval times.

As GT02 sits in a valley it will be visible from all directions at the gateway to Leamington and Warwick.

Warwick District Council will judge proposed sites against the nationally accepted criteria. The purpose of the criteria is to seek to meet the requirements of the Gypsy and Travellers community not necessarily local residents, businesses and employment.

Areas of concern could include:

- Agriculture • Animal Welfare • Co-existence • Crime • Ecology and Habitat • Education/Schools • Healthcare/Surgeries • Highways and Safety • Local Economy • Rural Landscape • Services and Utilities • Tourism • Traffic Density/Flow • Urbanisation.

to the proposals on the following grounds -

If Site GTO2 is approved it will result with Warwickshire Exhibition Centre closing with the loss of about 40 jobs during Exhibitions. Prospective business has already been lost.

A local economy assessment predicts the loss of £24 each year.

The local school is near to Capacity

The Fossway Bypass already has a large amount of traffic and at peak times congested at the junction with the A425.

The adjacent bus stop is just on overgrown verge with no hard standing and no footpath to walk anywhere.

Site GTO2 is adjacent to protected ancient woodland with various wildlife including Badgers.
