Criteria by which Gypsy and Traveller's sites will be judged for suitability and sustainability by Warwick District Council:

- Convenient access to a GP surgery, school and public transport;
- Avoiding areas with a high risk of flooding;
- Safe access to the road network and provision for parking, turning and servicing on site;
- Provision of utilities (running water, toilet facilities waste disposal etc);
- Avoiding areas where there could be an adverse impact on important features of the natural and historic environment; and,
- Sites which can be integrated into the landscape without harming the character of the area;
- Promotes peaceful and integrated co-existence between the site and the local community;
- Avoids placing undue pressure on local infrastructure and services;
- Reflects the extent to which traditional lifestyles (whereby some travellers live and work from the same location thereby omitting many travel to work journeys) can contribute to sustainability.

If this gypsy site goes ahead it will cease business at Warwickshire Exhibition site which has taken hard work to build up - it will mean many people loose their jobs and livelihoods, also it will be detrimental to Blackdown Growes.

Because we live in the Leam Valley this proposed site is going to be visible from many aspects - from Upton hill - from the hill coming out of Radford Semele also from the Fosse Way south from Hunningham Hill direction. The Fosse Way is a very fast road and many accidents - fatal

Warwick District Council will judge proposed sites against the nationally accepted criteria. The purpose of the criteria is to seek to meet the requirements of the Gypsy and Travellers community not necessarily local residents, businesses and employment.

Areas of concern could include:

• Agriculture • Animal Welfare • Co-existence • Crime • Ecology and Habitat • Education/Schools • Healthcare/Surgeries • Highways and Safety • Local Economy • Rural Landscape • Services and Utilities • Tourism • Traffic Density/Flow • Urbanisation.

I used to work at Radford Semele Primary School and believe their intake is up to full capacity as is Southam Senior School - The doctors surgery that serves this area is also full to capacity. The public transport is minimal to this area.
