## Criteria by which Gypsy and Traveller's sites will be judged for suitability and sustainability by Warwick District Council:

- Convenient access to a GP surgery, school and public transport;
- Avoiding areas with a high risk of flooding;
- Safe access to the road network and provision for parking, turning and servicing on site;
- Provision of utilities (running water, toilet facilities waste disposal etc);
- Avoiding areas where there could be an adverse impact on important features of the natural and historic environment; and,
- Sites which can be integrated into the landscape without harming the character of the area.
- Promotes peaceful and integrated co-existence between the site and the local community;
- Avoids placing undue pressure on local infrastructure and services;
- Reflects the extent to which traditional lifestyles (whereby some travellers live and work from the same location thereby omitting many travel to work journeys) can contribute to sustainability.

IT IS IMPORTANT to comment/object adhering to the above criteria and the council provided form follows that process. It is implied that you should use the WDC form or the response form available online. YOU ARE HOWEVER STILL PERMITTED to respond by writing to the Council's Development Policy Manager or you could choose to use this site specific form prepared for GT 02

OBJECT

(Please delete as required.)

Please set out full details of your objection or representation of support with reference to the criteria as outlined by the council.

This will have a detrimental effect on Businesses in the local area namely Warwickshire exhibition center as it will have to close the business is already being effected as exhibitors pull out once they have the proposed plans. This will then make local people redundant.

being in the valley, the site will not be able to be hidden it is also a historic site being a Roman road.

The fosse way is not a safe road, with accidents happening all the time.

There are no utilities

No convenient access - GP surgery full, and school has no places.

The proposed area is also at high risk of flooding as it is in a valley.

Please continue on a separate sheet if necessary

Warwick District Council will judge proposed sites against the nationally accepted criteria. The purpose of the criteria is to seek to meet the requirements of the Gypsy and Travellers community not necessarily local residents, businesses and employment.

Areas of concern could include:

• Agriculture • Animal Welfare • Co-existence • Crime • Ecology and Habitat • Education/Schools • Healthcare/ Surgeries • Highways and Safety • Local Economy • Rural Landscape • Services and Utilities • Tourism • Traffic Density/ Flow • Urbanisation.

to the proposals on the following grounds –

- 1) Rural Environment:  
visually can be seen across the valley.
- 2) Historic environment:  
The land and road (foss way) is a historic site from mediaval times.
- 3) Travel:  
There is no proper bus stop, and accidents regularly occur.
- 4) access to local amenities:  
nearest Doctors has no vacancies and local school is full.
- 5) impact on local economy:  
it will result in the closure of warwickshire exhibition centre which generates lots of business in the local area.

Please continue on a separate sheet if necessary

Do you have any other suggestions for land within Warwick District that you think would be suitable for use as a Gypsy and Traveller site, bearing in mind the criteria for site identification? If so, please give the location and the landowners details below:

## Guidance on Making Representations
