Criteria by which Gypsy and Traveller's sites will be judged for suitability and sustainability by Warwick District Council:

- Convenient access to a GP surgery, school and public transport;
- Avoiding areas with a high risk of flooding;
- Safe access to the road network and provision for parking, turning and servicing on site;
- Provision of utilities (running water, toilet facilities waste disposal etc);
- Avoiding areas where there could be an adverse impact on important features of the natural and historic environment; and,
- Sites which can be integrated into the landscape without harming the character of the area.
- Promotes peaceful and integrated co-existence between the site and the local community;
- Avoids placing undue pressure on local infrastructure and services;
- Reflects the extent to which traditional lifestyles (whereby some travellers live and work from the same location thereby omitting many travel to work journeys) can contribute to sustainability.

IT IS IMPORTANT to comment/object adhering to the above criteria and the council provided form follows that process. It is implied that you should use the WDC form or the response form available online. YOU ARE HOWEVER STILL PERMITTED to respond by writing to the Council's Development Policy Manager or you could choose to use this site specific form prepared for GT 02

Nearest Drs with spaces is 5 miles away +
has no direct bus service.

The roads there have no pathways and are known
for speeding cars and road accidents.

The land is on the Archaeological register and
will be mined and the nearby historic
protected ancient woodland will be damaged
and wildlife will suffer as their habitat
is altered. and gypsy are known hunters for
rabbits etc.

The WEC will suffer and we need to protect our
businesses + jobs and the WEC may have to
shut down as people become aware of the traveller
community. This site will NOT be integrated into
