● Dear Sir,
I wish to register my STRONG OBJECTIONS
to the proposed Gypsy and Traveller sites
Proposed, near Hambury, I Base my Case
on the following -

● Our Village School is overcrowded now
shortage of capacity for our Village children.
Our DPs are being pushed, turning to cope
with their present demands upon them by
local Villages. We cannot cope with any
additional persons - also our roads
bordering these sites have no footpaths, I feel
that a tragic outcome would be inevitable
I do hope that this letter will be read, and
taken account of.
Sincerely,
