## Criteria

### District Council:

- Convenient access to a GP surgery, school and public transport;
- Avoiding areas with a high risk of flooding;
- Safe access to the road network and provision for parking, turning and servicing on site;
- Provision of utilities (running water, toilet facilities waste disposal etc);
- Avoiding areas where there could be an adverse impact on important features of the natural and historic environment; and,
- Sites which can be integrated into the landscape without harming the character of the area.
- Promotes peaceful and integrated co-existence between the site and the local community;
- Avoids placing undue pressure on local infrastructure and services;
- Reflects the extent to which traditional lifestyles (whereby some travellers live and work from the same location thereby omitting many travel to work journeys) can contribute to sustainability.

IT IS IMPORTANT to comment/object adhering to the above criteria and the council provided form follows that process. It is implied that you should use the WDC form or the response form available online. YOU ARE HOWEVER STILL PERMITTED to respond by writing to the Council's Development Policy Manager or you could choose to use this site specific form prepared for GT 02

Please set out full details of your objection or representation of support with reference to the criteria as outlined by the council.

I believe strongly in supporting local businesses & if the plans go ahead this will automatically result in Warwickshire Exhibition Centre closing, this will impact on our local economy & will generate a knock on impact with other local business.

In addition to this the proposed site poses a high risk to local Archaeological ground registered for the Ancient pottery it holds & other treasures. In addition to the land registered for its Archaeology on the proposed site it also lies adjacent to protected ancient woodland which would be at high risk of damage.

Warwick District Council will judge proposed sites against the nationally accepted criteria. The purpose of the criteria is to seek to meet the requirements of the Gypsy and Travellers community not necessarily local residents, businesses and employment.

Areas of concern could include:

• Agriculture • Animal Welfare • Co-existence • Crime • Ecology and Habitat • Education/Schools • Healthcare/Surgeries • Highways and Safety • Local Economy • Rural Landscape • Services and Utilities • Tourism • Traffic Density/Flow • Urbanisation.

to the proposals on the following grounds -

The proposed site neighbours a protected ancient woodland at high risk of damage to the wildlife habitat. The site is also registered for the ancient pottery it needs to be preserved.

The site also sits along a very busy commuter route which is recognised as a "high risk" route with more than 12 serious accidents in the last 3 years. The route does not benefit from a path or pavement & it is highly dangerous to walk along.

The local doctors surgery is not able to take additional patients as it is over capacity & the next closest surgery is almost 5 miles away!

Further more the devastation on local business the proposed site would cause cannot be overlooked.

Do you have any other suggestions for land within Warwick District that you think would be suitable for use as a Gypsy and Traveller site, bearing in mind the criteria for site identification? If so, please give the location and the landowners details below:

Europe Way in Leamington Spa.

### Guidance on Making Representations

- You may withdraw your objection at any time by writing to Warwick District Council, address below. It is important that you include your name and address as anonymous forms cannot be accepted. If your address details change, please inform WDC in writing.
- All forms should be received by 5.15 p.m. on Monday, 29 July 2013
- Copies of all the objections and supporting representations will be made available for others to see at the council's offices at Riverside House and online via the council's e-consultation system. Please note that all comments are in the public domain and the Council cannot accept confidential objections. The information will be held on a database and used to assist with the preparation of the new plan for Gypsy and Traveller sites and with consideration of planning applications in accordance with the Data Protection Act 1998.
