- Promotes peaceful and integrated co-existence between the site and the local community;
- Avoids placing undue pressure on local infrastructure and services;

Please set out full details of your objection or representation of support with reference to the criteria as outlined by the council.

The nearest GP surgery is a good distance away and is up to capacity at the moment. (CROFT MEDICAL CENTRE).

The public transport is not an issue as most of them drive better cars than I do.

The Southam Road & Fosse Way are both busy, dangerous routes. Please note number of accidents & fatalities.

As for integrating into the landscape, a camp of caravans would be an eyesore from Upton Hill.

to the proposals on the following grounds -

The gypsy sites are an eyesore for litter. Could we get a figure on how much it has cost the County Council to clear up their temporary sites so far. - bearing in mind it is the likes of myself who is paying for that clear up.

And why must I pay for a site for them when they probably have more money than I do.

Why are we pandering to these people when it is coming out of local money? If central government want it to then let them pay.

Please continue on a separate sheet if necessary

Do you have any other suggestions for land within Warwick District that you think would be suitable for use as a Gypsy and Traveller site, bearing in mind the criteria for site identification?. If so, please give the location and the landowners details below:
