Village Plan

PROPOSAL TO BUILD NEXT TO ST NICHOLAS CHURCH ON SITE 1  
(Land to the east of Church Lane - 3.55 ha developable area and site capacity for 100 dwellings.)

What is the nature of your representation?

Support

Object

Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection including an alternative site if applicable (Use a separate sheet if necessary).

I object strongly to developing the site next to St. Nicholas Church. It is part of the lovely site of the village. It would be much more appropriate to build on the other site on the Southam Road, which would not affect the look of the village to such a degree as it would, by the church. Both practically, traffic, sewage etc would not be so affected. The church site is not at all acceptable. Totally wrong.
