Village Plan

PROPOSAL TO BUILD NEXT TO ST NICHOLAS CHURCH ON SITE 1
(Land to the east of Church Lane - 3.55 ha developable area and site capacity for 100 dwellings.)

What is the nature of your representation?

Support

Object

Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

1. The proposal for this site destroys the cultural ancient Centre of the village
2. The Council has a duty not only to provide housing but to preserve village life. This land is surrounded by the oldest properties + features + is the "green" of the village
3. Other development should be away from this area + the dangerous section of road where traffic has increased on council data by 25% in two years.
4. Site 3 increasing the village boundary is more sensible where the road can be safely widened
5. This site would create new traffic access problems + create an undesirable Struytown effect like Balsall Common

PLEASE POST YOUR FORM TO: Development Policy Manager, Development Services,
Warwick District Council, Riverside House, Milverton Hill, Leamington Spa, CV32 5QH

Or, you can drop off at the village Stores.
