### RADFORD SEMELE

I object to the Preferred Option one, land to the east of Church Lane. The proposed access road coming out between Church Lane and Offchurch Lane will be very dangerous, just a short distance from the turn out of Offchurch Lane which is already difficult and caused a great deal of congestion at "rush hours" times.

People turning into the Pub car park already cause congestion at times. (A girl was knocked off her motorbike yesterday (JAN BAZOLK) when approaching Offchurch Lane and the Pub from the Fosse Way the hedges screening the old cottages on the left, screen your view of the road and traffic -

I prefer options 2 and 3.
