What is the nature of your representation?

Support Object

Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

I consider that Option 1 (your Preferred Option) is the least attractive of all options.
It would completely spoil the present rural aspect of the village.
Your objection regarding vehicle access to sites 2 + 3 is even more applicable to site 1.
There is currently a problem with traffic from Offchurch lane and this would be increased with your proposed development.
