What is the nature of your representation?

Support Object

Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

Please refer to attached statement and appendices.

Residents object to the allocation of Site 1 as the preferred option for housing.

The loss of Site 1 goes against the previous view of the Council that it was unacceptable for development (1994 Inspector's Report refers). There has been no change in the contribution that the site makes to the character and heritage of the area since it was last rejected for development.

The site is detached from the main area of the village.

Site 2 offers the most logical position to provide an extension to the village being on the south side of Southam Road, connected to the existing boundary and having vehicle and pedestrian access.

Site 2 should therefore be the preferred option not Site 1.
