Support Object

Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

I object:

On the following grounds

1. The church is a listed building and development near to it would be inappropriate for a number of reasons
2. Any road access will be on or near School lane which is already a very busy junction.
3. This would also have a dangerous impact on access for children to school
4. Any road access will be near the junction of Offchurch Lane opposite the White Lion Pub. This is already a dangerous junction with very poor visibility towards Southam.
5. If there is to be future development, then this would not be possible on this site. Development either side of the on the road out towards Southam has space which would allow future development
