Bishops Tachbrook cannot cope with anymore houses. Both Oakley Wood Rd & Mallory Rd are very busy, both are used by people going to M40, Banbury Rd, & Graydon.

The school is full and schools in Whitnash are full.

There is no where to park for people using the church for funerals Weddings etc. Access onto Oakley Wood Rd will not stop people driving through the village.

Oakley Wood Rd. Floods very often as do Mallory Rd. (Justia to Banbury) Gardens in Holt Ave. and The Lees have water logged gardens, with water sled from the field behind, with houses on there it would be worse. I also doubt there will be affordable homes for village people on any of these site.

Why were leaflets ~~not~~ to notify residents of new site not posted. Why just a week before xmas. Very few knew of this new proposed site. How will sewage works on Oakley Wood Road cope with more houses as building site at Woodside Farm Harbury Lane also. There is to be solar panels also in the village.
