Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

- As long as traffic measures are put in place then this site uses up land ideal for development.
- 1) It balances the village out better.
 - 2) It incorporates the church into a village setting instead of its isolation.
 - 3) It prevents us coming joined to Leamington or Sydenham.
 - 4) The houses are away from the Main Rd which is safer for children + animals.
 - 5) The houses will have a nicer outlook than on a main Rd.
 - 6) It uses land within the village that is incorporated ~~but~~ just stands empty.
 - 7) There is a crossing area in place for people to cross the main Rd.
"Perfect spot."
