Object

Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

I should like to support the proposed development for housing in Radford Sewale. The village urgently needs affordable housing, so that young people can stay in the area if they choose to. This will keep our village vibrant & ensure that local facilities continue to be supported. We have a wonderful school in the village & it would be great to see more village children attending. There are many lovely rural walks around the village & I do not feel the proposed site is going to blight the rural outlook. Locally & nationally there is a desperate shortage of homes & I feel this site would be well-suited for the development of our local community.
