What is the nature of your representation?

Support

Object

Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

The whole nature of the village will be irredeemably altered if site number 1 is allowed which I do not believe that it should. The area in the vicinity of the church and the aspect as seen from the main road + school lane gives the village its character and contributes to the character of East Leamington area.

I would support and recommend site nos 2 and 3 (as recommended by the Parish Council)
