I fully support the Preferred Option for land south of the school.

Access to the school via Oakley Wood Rd will relieve greatly the congestion of traffic in Kingsley Road - and allow coaches better access to the school.

The site will allow for village facilities to be accessible - and for older inhabitants - not such a steep incline when walking back from the shop, church - not like the land at Tachbrook Hill Farm, which is steeper.

It would also be less intrusive on the landscape and environmental issues regarding wildlife and their habitats.

It would ease traffic going through the village to join M40 and A452.
