Thank you so much for not building on site 9 of Station Lane in Lapworth. I have lived here for many years and accept that limited development is desirable.

Please only use little pockets of brown field areas situated within the village envelope.

Please preserve site 9 as it is a green field site with lots of nature. I often see muntjac deer, beautiful field birds and lovely spring flowers.

I think that the current housing plan is balanced, sensible and I support it.
