PROPOSAL TO BUILD NEXT TO ST NICHOLAS CHURCH ON SITE 1  
(Land to the east of Church Lane - 3.55 ha developable area and site capacity for 100 dwellings.)

What is the nature of your representation?

Support

Object

Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

Whilst I do not consider any of the sites as suitable for further development, <sup>but</sup> where additional housing is compulsory, Site 1 would appear the most suitable.

All sites will lead to traffic congestion in the village but there is already pedestrian access across the Southam Rd by commoned rights to allow school children to cross and other village amenities to be reached. There is no suitable crossing place for sites 2 or 3 and even widening the pavement would not be possible at the point between Hill Cottage and Apple Tree Cottage. Being a regular pedestrian on this stretch, I can vouch for the speed and density of traffic, even though within this 30 mph limit. Site 1 is also an infill to the village without breaching current boundaries extending unnecessarily into green belt. No further large development of the village is satisfactory <sup>from</sup> traffic safety terms.

PLEASE POST YOUR FORM TO: **Development Policy Manager, Development Services, Warwick District Council, Riverside House, Milverton Hill, Leamington Spa, CV32 5QH**  
Or, you can drop off at the village Stores.
