What is the nature of your representation?

Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection including an alternative site if applicable (Use a separate sheet if necessary).

LOTS 1 & 4

My objection to both these proposed sites are the increased traffic onto the A425 Southam Road being it is within the village and access onto this road can be very difficult. Also the blind spot at the junction of offchurch lane is a consideration especially when you try to access from school lane to go to Southam. Also The White Lion Public House has cars entering & leaving all day long, and causing another dangerous aspect.

LOTS 2 & 3

I have no real opinions of plots 2 & 3
