Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

I Support Site 1 it is a infill to the village within walking distance of church, school, shops etc. without extending further into greenbelt. I also feel the alterations to the road system required would have a calming effect on the traffic passing through the village as the existing 30mph limit is not adhered to.
